Oxford Dictionary: English-Hebrew/Hebrew-English (Hebrew Edition)

Synopsis

This Hebrew-English English Hebrew dictionary contains 80,000 entries, 18,00 idioms and expressions and notes on English Grammar and other useful appendixes. It is intended for users of contemporary Hebrew, especially university students, high school pupils and English speaking learners of Hebrew who wish to consult a small, but comprehensive up-to-date dictionary. Hebrew Speakers seeking to enlarge their active English vocabulary will also benefit from this dictionary. The rich selection of words, idioms and collocations is drawn from both spoken and written sources.

ISBN-10: 9653070274

ISBN-13: 978-9653070271

Product Dimensions: 7 x 5.1 x 1.6 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 45 customer reviews

Best Sellers Rank: #144,573 in Books (See Top 100 in Books) #94 in Books > Reference > Dictionaries & Thesauruses > English #247 in Books > Textbooks > Reference > Dictionaries

Customer Reviews

The actual information in the book is great, but the physical book itself has two issues: 1. It is structurally weak. After a couple months, some of the pages came completely off the spine, despite fairly typical usage. 2. Some of the print is tiny so people like me may have trouble distinguishing letters without a magnifying glass. For example, it can be hard to tell apart tsere and patach without squinting.

This is a lovely dictionary for someone who is a beginner, and still needs to read with nikkud. I found it easy to look up words I didn't know. The expressions and idioms that are included were really handy to get some idea of how to express myself. More advanced speakers of Hebrew will find it very helpful too. If the typeface could be a little larger, it would have been handy, but it wasn't a huge drawback. I highly recommend this dictionary.

Not only has this native English speaker found this to be the superior bilingual dictionary for its size,

I have had many Israelis tell me that it is only right and proper that I should agree with them.

It's a solid English-Hebrew/Hebrew-English dictionary. I studied Hebrew language for a while and used this dictionary frequently. Authentic Hebrew alphabet was there, and it is very useful for me to know spelling of words as well as their pronunciation. I plan to resume learning Hebrew soon.

finding a dictionary for both modern hebrew & modern english is a challenge. in addition to serving as a word finding dictionary, it also includes vowels for being able to properly pronounce the words.

So helpful.

I studied Hebrew 20 years ago. Forgot a lot. This dictionary helps me to study again. It's helpful.

I keep this by my side as I am reading Hebrew literature. So far, I have been able to translate every passage. I really appreciate this dictionary.
