Customer Reviews

This is the cutest thing ever!! I still haven't done the journaling as I wanted to. But I have big plans for this baby.

The pages are a little thin in this book but it does the job it's intended to do.

Beautiful and perfect for daily use.

I'm thinking about starting a bullet journal and this was exactly what I had in mind when I got started. Simple, yet cute. It will serve me well.

Exactly what I was looking for!

So yes, if I would have read this item I would have seen that it is much bigger than I wanted it to be, but when I went to look at the other items the seller has they didn't sell anything similar and smaller!! Such a BUMMER!
