I absolutely loves this book

Some questions about safety for specific oils not answered. Dangers clearly explained, so be careful what you expose you pets to. Infusing citrus oil into the air seems to be particularly deadly to cats.

very informative

This is a very informative ebook!! Learned quite a bit and am going to put a lot of these in my massage therapy bag for dogs and cats. Thanks again!!

Muy bueno.

Let me know what I needed to know in order to help my pets not to need those chemical applications.

Great information to keep at hand. Works well and smells good.

Many of the recipes had olive oil in them and I don't like our dogs fir so oily, as it gets on the furniture
