Mission Unstoppable

Synopsis

Each and every one of us has a mission we were born to fulfill. In their game-changing new book, *Mission Unstoppable*, renowned visionaries Les Brown and Dr. George Fraser share inspirational stories and wisdom from more than two dozen successful business leaders who answered their calling and stayed the course. Along with their co-authors, Brown and Fraser reveal how to: Find your true path, even if you're afraid to walk it. Take a chance, even if the odds are stacked against you. Raise your voice, even if the naysayers are loud and numerous. Fight for your vision, even if you stand alone. Succeed, even if you've failed more times than you can count. If you have a dream, a mission, or a goal that at times seems impossible to realize, *Mission Unstoppable* is the book that will help you achieve it. The world is waiting. The time is now.

ABOUT THE AUTHORS

Les Brown One of the world's most renowned motivational speakers, Les Brown is a leading authority on achievement, energizing audiences as large as 80,000 to step beyond their limitations and into their greatness. Mistakenly labeled "educable mentally retarded" in elementary school, Brown would eventually rise above his position as a sanitation worker to become a broadcast station manager, political commentator and a multi-term State Representative in Ohio. Addressing audiences from Denmark to Dubai, from Canada to the Caribbean, Brown received the National Speakers Association's coveted Council of Peers Award of Excellence (CPAE) and the Golden Gavel Award for achievement and leadership in communication, and was voted one of the Top Five Outstanding Speakers by Toastmasters International. Winner of a Chicago-area Emmy® for his unsurpassed fundraising pledge drive for PBS (Public Broadcasting System), Brown is the author of *It's Not Over Until You Win: How to Become the Person You Want to Be-No Matter What the Obstacle*, *Up Thoughts for Down Times*, and co-authored *Fight for Your Dreams* and *Mastering the Art of Success*. Dr. George Fraser Named one of the "Top 50 Power Brokers in Black America" by *UPSCALE Magazine*, Dr. George Fraser is one of the foremost authorities on economic development, networking and building effective relationships. Growing up on the streets of New York with little hope and vision for the future, Dr. Fraser defied expectations and paid his way through Dartmouth College mopping floors on the midnight shift at LaGuardia Airport. He was later awarded an Honorary Doctorate Degree of Humane Letters from Jarvis Christian College. Dr. Fraser is the author of four critically acclaimed books, including *Success Runs In Our Race: Complete Guide to Effective Networking in the African American Community* and *Race For Success: The Ten Best Business Opportunities for Blacks In America*. This book was a very insightful read! Les Brown and Dr. Fraser have set a bar which a lot of motivational writers should follow. For all those who believe in following their dreams and having the courage and the insight to do so, then my friends, this book is for you!

I enjoyed reading this book as I really like self development books and this one had many good perspectives and points of wisdom. There are several contributing authors and they each had an important insight. I would recommend it.
