

Florence's Glass Kitchen Shakers 1930-1950s

Synopsis

Gene Florence, the foremost authority on glassware, has produced a brand new guide for collectors. Florence's Kitchen Glass Shakers, 1930 - 1950s, is sure to spice up your bookshelf. Over 1,000 glass kitchen shakers, including sugar shakers, are pictured in this volume of full-color group photographs. Catalog identification of previously unknown shaker names is provided, as well as name, company, and value given for each item shown. Companies featured include Hazel Atlas, Anchor Hocking, Jeannette, McKee, Owens-Illinois, and Tipp City Decorations. This book features sharp images and offers insight into values of these savory shakers. It's another bound-to-be best-seller from glassware expert Gene Florence. 2004 values.

Customer Reviews

This book is useful for those who know little about shakers as well as those who are diehard collectors. It is organized by company, shapes, and patterns. Large, full-color photographs are presented, with current collector values given for every shaker shown.

A collector since childhood, Gene Florence's hobby of buying and selling glassware turned into a full-time career. First writing a book on Depression Glass, Florence has gone on to author many popular glassware titles including books on Depression Glass; Occupied Japan Collectibles; Kitchen Glassware; Very Rare Glassware; 40s, 50s, & 60s Glassware; Elegant Glassware; Stemware;

Glassware Pattern Identification; Anchor Hocking's Fire-King; Glass Candlesticks; and Salt & Pepper Shakers. Cathy Florence, graduated with honors and a coveted voice award from high school, attended Georgetown College where she obtained a French major and an English minor, then married her middle-school sweetheart Gene Florence. In the mid-80s she authored a book on collecting quilts, harking back to skills taught her by her grandmothers; and she has since co-authored many books on glass with husband Gene.

I received this book in a timely manner and was in the condition that was disclosed upon purchase. I love the illustrations. Very informative.

A very useful book in identifying glass shakers. It has really been helpful with my small but growing collection.

Very, Very Good !!!!!!!

I love using this book for reference when I pick up an odd shaker at our local flea market. It's always nice to know if you have something of value or not.

Nice book with great pics, but it doesn't offer any facts about when various pieces were manufactured.

Ok

Great book lots of good information about kitchen shakers as well as stove top shakers, easy to understand, good pictures

Great pictures. Love any glass book by Gene Florence
