Kaze Hikaru, Vol. 4

Synopsis

Ordered by Katamori-sama to assassinate Captain Serizawa, Captain Hijikata holds a secret meeting with the other leaders in the Mibu-Roshi to plan the murder of their charismatic comrade. Soji breaks in on the meeting, but rather than pleading for his friend's life, he offers to kill him.

Customer Reviews

It really is the smallest details that Taeko Watanabe does not miss. She makes the whole story more real and life like with all the research she does and just the simplest side plots that are added into this story. Thank you for the horse bit!

I read the first 3 volumes via it's serialization in Shoyo Beat. And though intrigued i found it hard to follow with the one month pauses in reading it. I was sure if i could sit down and read several chapters in a row with out interruption it would be simpler to understand. And i was right. But it uses a lot of historical japanese names and words that can make it difficult to follow. they do use side notes to explain things but they are so blunt and short i have to read them a couple of times before it sinks in. Anyways for anyone willing to invest the time this series is very rewarding. It deals with honor, loyalty ,death, and proving one's self. It is for an older audience. and surprisingly it is very

humourous which helps to offset its often very depressing subject matter. The men are gorgeous. and Kamiya is a great Heroine. Though she is very emotional she is very willful and determined. the bonus section is also a lot better than most as it's not some boring account of the author's stupid day or something. It's kind of cool what she has to say about researching the different swords and you feel like you learned something from it. Also it's full of blood and betrayal. Things are hardly ever represented as they turn out to be. a new favorite of mine!

Things have become more serious for Sei when she learns that Soji helped to assassinate Captain Serizawa and that, with his death, new stricter laws have been enforced - commanding that every one guilty of violating the rules shall commit seppuku. Counter balancing this serious side is the ever smiling Soji who keeps a watchful eye over Sei - even annoying her with playful attacks from behind. However, this playfulness of Soji's saves Sei's life. Also, when Sei thinks that Soji is in love with a married woman, Sei gets drunk while talking with Saito. This volume also involves Sei trying to find the owner of a small book of haiku. I gave it five stars even though I might more correctly issue it 4 1/2 - but the series is intriguing enough for five stars.
