What a GREAT booklet (at 28 pages it is more of a pamphlet ... but WTF, for \$3 you can't lose). It is a quick read and gives you great information. I recommend you also buy the author's other booklet "Your First Trip To Angeles" (also short and only \$3) and read them back-to-back for an even better overview of the Angeles City and Philipina girl scene. Maybe the best part is to go to the author's blog (listed in the booklets) and get caught up on the entire SE Asia scene.

A more mature approach would suffice.

This gets you in state to going to Phills, at least I was...

Im considering a trip to the Philippines and after reading this, im more prepared than ever. Dating out there isnt hard and getting some cat isnt hard either.

I am coming to the Philippines soon and wanted to get some pointers on how to deal with the ladies there. This book has a lot of info and I feel a lot more prepared after reading it. I am not sure I would have known how to deal with them without reading this. Thanks a lot!:)
