Customer Reviews

This book has a great collection of Dylan songs. As a beginner on the mandolin for me one of the best features was the chord frames. I think I will learn more from playing this book than from the beginning instructionals I bought.

No melody music notes but lyrics and chords. I did not know lyrics and chords seem to be Okay before.

Melody lines would have been nice addition

Just learning mandolin and this is a great way to do it. Has chord diagrams. Many songs for the money. These are songs we all know.

This was a very helpful little book.

Nice chords

HE MUST HAVE PEOPLE FOR THAT...
