Customer Reviews

The title says there are gas and gas/electric fixtures here. there are none. Wish I had seen the review above before purchasing. Big disappointment. It is simply a photocopied catalogue without text. Claimed to be from early 20th century, but clearly from 1910-1920. Look elsewhere....

Even though the title indicates Electric and Gas fixtures and the forward leads you to expect gas, electric and electric/gas combination fixtures, THERE ARE NO GAS FIXTURES IN THIS BOOK. I emailed the publisher about this and have gotten no response. GK
