Egyptian Stained Glass Coloring Book (Dover Stained Glass Coloring Book)

Synopsis

The exotic beauty and formal splendor of ancient Egyptian culture spring to life in these boldly outlined illustrations based on actual works of art. The subjects, ranging from Queen Cleopatra in full ceremonial regalia to a group of court musicians, are boldly drawn on sturdy translucent paper. Using crayons, colored pencils or felt-tip pens, colorists can create beautiful pictures that glow with splendid stained glass effects when placed in a window or held up to the light. Included are 16 full-page images that recall one of the ancient world's most fascinating civilizations. Among them are Queen Hatshepsut in a ceremonial headdress, a pharaoh carrying sacred lotus flowers, a Nile boatman, Tutankhamen's gold casket, the goddess Selket and an Egyptian family hunting ducks on the Nile.

Grade Level: 3 - 8

Customer Reviews

John Green attended a boarding school in Alabama not unlike Alaska's Culver Creek. After graduating from college in 2000, he worked as a chaplain at a children's hospital. His experiences with patients and their families during intense crises solidified his desire to write for teens and inspired him to bring his comic sensibility to a candid novel about the excitement of breaking the rules and the challenge of confronting loss. John now writes for several national magazines, both

print and Web-based. He is also a commentator for National Public Radio's afternoon newsmagazine, "All Things Considered," and Chicago's "NPR" affiliate, WBEZ.

I bought that for my 11 years cousin and he loves them. He especially likes the two sided translucent paper which he can color the two sides with different color and make different combinations.

I HAVE NOT LEARN TO STAIN GLASS YET BUT I LOVE ANY ANCIENT EGYPTIAN DESIGN.

cool

Nice pictures and my student's enjoyed coloring them with markers. They were very pretty when hung up on the windows.

Beautiful pictures and each one is described

I am a huge Egyptophile and am always looking for new sources of quality pictures which I can use for different applications (body art, personal stationary, etc.) The pictures in this book are well-executed and the translucent pages really make them pop!

Again Not exactly what I was looking for but will try to work with it.
