The Negotiator: The O'Malley Series, Book 1

Synopsis

Kate O'Malley se especializa en situaciones con rehenes - desactiva las bombas de tiempo humanas - antes que actuen. Ahora, ella es el objetivo. Alguien le ha estado enviando rosas negras. Ella tiene que decidir si el agente especial del FBI Dave Richman - y el Dios en que el tiene absoluta confianza - es todo lo que se supone que sea. --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #75 in Books > Audible Audiobooks > Fiction & Literature > Religious Fiction #75 in Books > Audible Audiobooks > Fiction & Literature > Short Stories #231 in Books > Literature & Fiction > Genre Fiction > Religious & Inspirational > Romance

Customer Reviews

Way to go Dee! So I am one of those people who has basically only read Dee Henderson's new stuff and not the old, except for The Witness. I enjoyed Full Disclosure and the few that came after, and I couldn't understand why everyone was so cynical about Dee's writing in her new books. Now I understand! The Negotiator was way different than any Dee Henderson book I have read. It was literally exploding with action, suspense and of course, romance. Loved it! This is the story of Kate O'Malley, who is, you guessed it, a negotiator. She meets up with Dave from Danger in the Shadows in the opening scene and shows him how great she is at her job. There is so much that happens in this book and I loved it. Also love her family! This is a great start to the series and am anxious to read Marcus' story next!

FBI agent Dave Richman from Danger in the Shadows is back. He's about to meet Kate O'Malley, and his life will never be the same. She's a hostage negotiator. He protects people. He's about to

find out that falling in love with a hostage negotiator is one thing, but keeping her safe is another!Introducing the O'Malleys, an inspirational group of seven, all abandoned or orphaned as teens, who have made the choice to become a loyal and committed family. They have chosen their own surname, O'Malley, and have stood by each other through moments of joy and heartache. Their stories are told in CBA best-selling, inspirational romantic suspense novels that rock your heart and restore strength and hope to your spirit.I bought this book on Kindle and am delighted with Dee Henderson as an author. She weaves romance with mystery in a masterful way. She blends honor, love of God, defeat of evil by good, and flawed but faithful servants of God in a heart-felt way. Kate O'Malley's character is admirable - intelligent without being "Wonder Woman." She perseveres on a trail, even though it is littered with confusion for her. She searches for answers to the questions that seem unanswerable. She witnesses a plane crash where over 200 people die. While searching for answers to the "why?" would anyone want to bomb a plane, she reads the book of Luke. It is at this point she begins her journey to finding Jesus and her faith amidst the chaotic world where she is a negotiator. She finds romance without looking for it from someone she vowed never to date. This complicates matters and adds great tension. It is a wonderful read. Author Dee Henderson's writing gives hope and stirs the imagination in a most addicting way.I give The Negotiator by Dee Henderson a 5-star rating. I recommend this action-packed book to women of all ages who love suspense, romance and finding the Light in the darkness. Review by: Rita Kroon, author of "Letters from the Past" and "Kiss your Mommy Goodbye"

This was yet another phenomenal book by Dee Henderson about the journey to accepting Jesus, faith and all that comes with it despite uncertain and troubling times. Henderson has a gift for taking a horrible event that sends that main character on a trail of confusion and questions as they try to figure out life. At the same time, someone brings up their journey of faith and it seems impossible that main character will ever be able to accept Jesus.In this book, Kate is a negotiator and soon after an attempted bank bombing, she witness a plane crash where over 200 people die. Her family surround her and try to help her deal with this, along with a new friend. All while searching for answers to why someone would blow up a plane, she reads the book of Luke as the only person who believes asks her to do so. So many serious questions are raised and investigated while shifting through mounds of possible clues for the person responsible for the plane incident. Again, Henderson does an excellent job posing intelligent questions and answers in a way most would be able to understand. Henderson doesn't become preachy or pushy, just simply tries to guide. That with all the twists and turns, the shocking revelations revealed, make this a wonderful book. It is

paced just right; there really is never a dull moment and you can't wait to finish it. Then, you cannot wait to read the next in the series.

I love Dee Henderson. It's refreshing to read a fast-paced suspense novel that doesn't rely on shocking or scandalous material to engage the reader. Dee writes from a place of morals and is able to balance intrigue and suspense while sharing her faith with readers. While one might think that Christian lit is all daisies and puppy dog tails and too preachy for them, Henderson proves that a good writer can work with any subject and make it interesting. You'll fall in love with the O'Malley family as you go through the series, and hopefully, you'll fall deeper in love with the Lord and answer some of your own questions about faith as the family grapples with their own salvation and belief. Enjoy!
