# 365 More American English Idioms: An Idiom A Day

## Synopsis

Including The DEFINITION of each idiom. The USAGE NOTES showing the history and/or usage of each idiom. The STRUCTURE showing HOW TO USE the idiom. EXAMPLE sentences to see how the idiom is used in context. Why buy this book? It's designed for self-study. This book was written by an English teacher with over 20 years experience. It's an eBook, so you just need to download it and keep a copy on your computer, tablet, or smartphone. It's got a paperback version. It can help you prepare for TOEIC, TOEFL, and IELTS exams. What is an idiom? An idiom is a word or set of words that have a different meaning than the usual & literal meaning of those words. For example, let's look at the idiom, "get the ball rolling." To start a game like bowling or billiards, you roll the ball. So this idiom gives us the idea we are starting something. When we say, "Let's get the ball rolling," we mean, let's begin. You can use this idiom to begin a meeting, a class, or even a road trip. Why learn idioms? Idioms are commonly used in everyday, conversational English. You could begin your meeting with "Let's begin the meeting," but starting the meeting with "Let's get the ball rolling" will make you sound more like a native speaker, and more natural. I encourage you to study the lessons in this book, and begin using these idioms in your conversations. You will sound more natural when you do so!

## Book Information

File Size: 1944 KB

Print Length: 204 pages

Page Numbers Source ISBN: 0991507983

Publisher: Happy English Books; 1 edition (July 7, 2015)
