Knights In Training: Ten Principles For Raising Honorable, Courageous, And Compassionate Boys

Synopsis

Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights' Code of Chivalry, as depicted in the French epic Song of Roland, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.

Customer Reviews

“Knights in Training is a breath of fresh air in today's world. In this must-read book, Heather Haupt provides an inspired and powerful roadmap for anyone raising boys to be polite, compassionate, honorable gentlemen. Highly recommended!” -Amy McCready, Founder of PositiveParentingSolutions.com and author of The “Me, Me, Me” Epidemic: A Step-by-Step Guide to Raising Capable, Grateful Kids in an Over-Entitled World “Chivalry does not have to die and civility does not have to be a lost art form, but the only way for these to make a comeback in society is to start in families and at home. Heather Haupt offers fascinating insight into

the current state of boyhood and manhood, alongside a practical and fun guide for training our boys in the ways of courage, kindness, and honor. I'm inspired to raise my three boys to be modern-day knights who will love God, respect and serve others, and leave this world a better place than they found it."-Erin Mohring, co-founder of The MOB Society and Raising Boys Ministries, writer at homewiththeboys.net "I often talk with parents about the importance of teaching boys to be gentlemen. Then parents ask me, "How, exactly do I do that? How do I raise my son to be a gentleman?" From now on, I will know just how to answer. I will tell parents: "Read Heather Haupt's book *Knights in Training*." -Leonard Sax MD PhD, author of the New York Times bestseller *The Collapse of Parenting*, *Why Gender Matters*, *Boys Adrift*, *Girls on the Edge* "As a father seeking to raise a son in an environment that seems at times hostile to the idea of manhood, I found Heather's book both challenging and refreshing! I pray that the 10 principles espoused in this book would by God's grace become normative for how we seek to raise our boys into men." -Matt Chandler - Author, Lead Pastor of The Village Church, President of the Acts 29 Church Planting Network "I am so grateful to see a fresh perspective on an age-old quest: raising boys into men. Using the time-honored code of the Knights, Heather reminds parents that not much has changed when it comes to raising the next generation of young men. Treat women with respect. Tell the truth. Be generous. Thanks, Heather! I needed that. We all need it." Heidi St. John, Author, Speaker, Creator of thebusymom.com "Heather Haupt has written a much-needed guide for raising boys into men | Chivalry is all-but dead, but Haupt's excellent book will tell parents how to bring it back to life!" -Family psychologist John Rosemond, author of *Parenting by The Book*

Heather Haupt is the mother of three knights-in-training and a spunky little princess. She wants to raise children who will make a difference in this world. As an educator, writer, and popular conference speaker, she inspires parents to pursue a loving and holistic approach to education and parenting. She has taught in a variety of settings ranging from preschool nature classes all the way up to college biology labs and now homeschools her four children. She lives in the Dallas area with her family and writes at www.heatherhaupt.com.

I am raising four boys, so I knew that I could benefit from *Knights in Training: Ten Principles for Raising Honorable, Courageous, and Compassionate Boys*. Especially since I long for old-fashioned and Biblically sound techniques for training our children. This is not a quick read. You could read through it within a few dedicated days, but the message is too important & too

meaningful to NOT savor and absorb slowly. I recommend reading straight through once to get the flavor for the quest and then refer back to it in parts as you apply it to your life. I think the 10 codes in this book are best implemented with your boys as soon as possible. I most appreciated the code and chapter on respecting women which also addresses the epidemic of pornography addiction. The tips & action plan were so helpful. This book is full of thought-provoking and much-needed words for parents. I hope and pray that our generation of parents will accept the challenge of raising true men and women of the Lord.

Excellent book with wonderful values to impart on our boys. Well worth it!

I have referred this to all of my friends with sons! Just what I was looking for. Heather is also a wonderful person.

This is a fantastic book! I think every BOYMOM or dad should get this! Such good ideas on how to raise boys with courage and integrity! LOVE IT!

Happy

Excellent book. Interesting and compelling.

I haven't even read this book, but listening to a podcast about it convinced me to buy it asap! It's will be a must-read for mothers of boys, who desire to raise godly men in this culture! I can't wait to dive into this book and challenge my son to be "knights in training!"

As a mom of five boys, this book is invaluable! Such encouragement & hope that we can help our boys reach their potential & go beyond it. Fabulous reminders of what is important in helping our boys flourish & thrive as they grow. Most importantly, my boys LOVE having a code by which to live. Great habits are being learned that help me know that my boys will have what it takes during the ups & downs of life. Highly recommend for all boys moms!
