Customer Reviews

The editors of Merriam-Webster have been creating dictionaries and other language reference works to the highest standards of quality and reliability since 1847.

Purchased WEBSTER'S DICTIONARY FOR STUDENTS for my semi-literate neighbor, who called

too often for correct spelling of common words. Adult male loves this book!

Better condition than I expected. I am pleased.

Bought 2 of these for our son to use at school and at home. Great easy to use dictionary for young students. You can't go wrong with Webster's.

I'm happy to chose this dictionary for my 7 years old daughter. She can carry the dictionary in her backpack everyday, for it is light like a paperback. The text is not too small. She loves it, too!
