Barbara Ali is a native of Illinois, but spent the bulk of her adult life traveling the world as she served a career with the US Air Force. She is an avid photographer, world traveler, adventurer and mom. She and her husband, Abdulhamid, live in Milwaukee, Wisconsin, where they have a "yours, mine and ours" family of six children.

So many places I had never heard about! You really must try a visit to the Polka escalator and Northern Chocolate Company! Loved that it had a variety of choices so we could find something for my group of friends and also my family. I liked the useful lists at the back of the book that show neighborhood destinations and gave ideas for free places to go.

Awesome! Includes many unusual, out of the way ideas for a really fun time. Categorized and quick

reading. On our way to WI now and will use the list often. Love this book!

My mother-in-law loved this book! Fast shipping!
