Freat guide for those traveling to Memphis for the first time

Nice

this book is very helpful for anyone planning a trip to Memphis and Nashville. we used to plan a trip and it made the planning process much easier.

Excellent book.

read through the book, lots of information.

This is a great go to guide for Memphis and Nashville. I used it extensively to plan our trip. The Lodging and Dining listings were extensive. I only wish it included "Day Trip" information on places like Knoxville.

Frommer's Nashville & Memphis is a comprehensive yet easy to read travel book. I especially liked the list of "must-do" items if you only have a few days to tour, which was the case with me. It's broken down in an organized fashion with sections on restaurants, nightlife, attractions, etc. The maps in each section were particularly helpful.

It's good and will give you the basics, but you will need to dig more on your own. However it did make us decide that Nashville was not for us.....So that makes it worth it!
