I'm a Indiana fan from way back, love her back in the early 20th century books. Thanks for taking me away to another era and forgetting this 21st century madness.

This was a great read! I have been enjoying this series so much! Joyce was so in love with little orphaned Alan & the sheriff. They had gotten off to a bad start, but when the sheriff brought baby Alan to the Dr's office Joyce fell in love with the baby at sight. She soon realized the sheriff wasn't such a bad guy after all. Thru it all they both drew closer together falling in love & going to get married & adopt baby Alan. I highly recommend this book it is a great read by Indiana Wake as always! I'm truly looking forward to the next book in this series!

Great book. I love the suspense in this book. Who is Alan's mother and what about the sheriff? He drives Joyce crazy. I feel like I know these people and love to read their story. I cannot wait for the next book. I highly recommend. This is a stand-alone book, but I recommend you read the series in order.

A special story of finding a Baby who had been abandoned the lady didn't want to give him up. A Doctor had checked him out and fell for the newcomer and the Baby. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful duo of authors who keep me wondering what next for the characters as the events take place.

I loved this book from beginning to end. I couldn't put it down until I finished it. Please hurry with the next one
