As the host of A Prairie Home Companion for over forty years, Garrison Keillor has captivated millions of listeners with his News from Lake Wobegon monologues. He has been honored with Grammy, ACE, and George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters. Paula Poundstone has been a stand-up comic for over thirty years. She is a regular panelist on NPR's #1 show, Wait Wait . . . Don't Tell Me!, and she recently voiced the character of Forgetter Paula in the Disney/Pixar Oscar-winning film Inside Out. Her successes include HBO and Bravo specials, and an American Comedy Award for Best Female Stand-Up.

An unabashed overload of rapid-fire short jokes, riddles, and funny conundrums, "A Prairie Home Companion's" annual unearthing of classic and modern jokes is a heartening ride through the harmless jokes of childhood and somewhat more risquÃ© adult material. Never shooting more than a meaningful glance at anything off-color, this bounty of humor should delight audiences of most ages. If you don't mind a bit of over-earnest delivery and some occasionally creaky material,

this audiobook is for you. Well-timed rim shots, percussive punctuation, and performers up for almost anything make this a comedy vitamin for the depleted soul. D.J.B. Â© AudioFile 2005, Portland, Maine-- Copyright Â© AudioFile, Portland, Maine

A great 4 CD Collection - perfect for the car - especially when you are stuck in a traffic jam. Listening while in the car might even possibly reduce road rage. Many laugh-out-loud funny jokes.

For the cost of buying this used (it's not as if the fidelity really matters for comedy), this is a great collection of mostly funny jokes. Every so often, it's great to put on a comedy album and listen to it and this is one (actually, multiple discs) that meets my standard of jokes and presentations I enjoy hearing periodically.

These CDs are SO much fun that I bought them for others. Great for anybody who takes car trips.

I got a cassette tape of the first PHC joke show years ago and just about wore it out from playing it to keep me alert and upbeat on road trips. Now I found this compilation on 4 CDs and I'm laughing more than ever. Sure, there are sophomoric jokes, 3rd grade jokes, puns, groaners and old chestnuts you've heard before, but somehow they all work when presented by Garrison, Roy Blount, Paula Poundstone and the rest. I love it!

This is the best way I know to get through a long road trip laughing. It will also take your mind off your worries, because you have to really pay attention to keep up with the rapid fire delivery style and you can't think about much else at the same time. This has become a classic in our home, and a great gift for everyone who says, "I have to have that for myself!"

The four CDs in this collection are great entertainment, albeit a bit ribald, from Garrison Keilor's NPR radio shows. I've bought several copies for friends and even sent a couple of copies to our troops in the mid-east. My son says it helped boost morale when he was there. Avoid it if you're easily offended, but great fun for the rest of us.

I love the CD. It keeps me entertained and smiling for many hours. Who couldn't use a smile during these times.

The jokes were so old and not even funny. Sorry I bought it.
