Dave Ramsey's Complete Guide To Money

Synopsis

If you're looking for practical information to answer all your "How?", "What?", and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all - giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us - the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Book Information

Hardcover: 331 pages

Publisher: Ramsey Press; 1 edition (2012)

Best Sellers Rank: #3,865 in Books (See Top 100 in Books) #18 in Books > Business & Money > Personal Finance > Budgeting & Money Management

Customer Reviews

received this book via a secret Santa Christmas party and never heard of Dave at the time. I read it and found out that I did all the debt myths in my life time, as Dave mentioned I was ignorant to the fact that these type of "myths" were the reason I was in debt. However as of today I now own my car, I am almost debt free and am paying for my future wedding with cash. Also thanks to this book I was able to talk a salesman down to \$29 dollar from \$80 for a gift my future wife really wanted

Dave Ramsey is America's trusted voice on money and business. He's authored five New York Times best-selling books: Financial Peace, More Than Enough, The Total Money Makeover, EntreLeadership and Smart Money Smart Kids. And check out his new products: Financial Peace Junior and Junior's Adventures Storytime Book Set! "The Dave Ramsey Show" is heard by more than 12 million listeners each week on more than 575 radio stations, "The Dave Ramsey Show" channel on iHeartRadio, and a 24-hour online streaming video channel. Ramsey Solutions offers a suite of products and services to help people get control of their finances and other aspects of their lives. Follow Ramsey on Twitter at @DaveRamsey and on the web at daveramsey.com.

I'm 19 years old and I don't think I could have selected a better time to buy this book. I currently work my tail off as a plumber while paying for community college. I have a new motorcycle and a newish truck and I really wanted to know where my money was going, how to invest properly, and save for retirement and with the help of this book, I plan to turn my last 3 generations of family poverty around.

This is a really good book. It has some basic information in it but also some really good planning information to help you really take control action of you finances and make things happen. It has helped my husband and me in our financial planning. Good read

I bought this book for my sister, who needs some instruction in financial planning. I am a long time acolyte of Dave Ramsay and never miss a chance to introduce others to his common sense money management techniques. Read it, but more importantly, do what he suggests.

This is one of the most practical and useful money management books I have ever read. It combines personal advice on managing money with an eye on the bigger picture on making the world a better place. This is a fantastic book that empowers you and ultimately gives you real peace and guidance. I read it, used it and am almost debt free. I bought it for my son and his fiance so they can start out right.

I like how Dave strips off a lot of silly, ugly, fancy-dress in which we have all got ourselves up and are strutting about like the little idiots we are...I wish I could reach back to a younger me (in my teens and 20's), vigorously shake my shoulders, while simultaneously yelling, "Read (and act) on this book..!"

EXCELLENT BOOK...I have read all of Dave Ramsey's books but I have to say this is the best....It gives you the basics. Everyone should start reading this one first before you move to all the others.

Great book to gain advice for managing your personal finances. While I still use my credit cards, I still think a lot of the content is very useful and helpful to know; especially the chapters on insurance and real estate on which I know very little about.

I always love Dave's books. Some of them I've ordered more than once just due to moving and losing things, but I can't wait to share this with my roommate and others. I love to go back and re-read them for motivation, as well.
