Elizabeth Clare Prophet (1939-2009) was a pioneer of modern spirituality and an internationally renowned speaker and author. Her books are published in more than 30 languages, and millions of copies have been sold online and in bookstores worldwide. Throughout her lifetime, Mrs. Prophet walked the path of spiritual adeptship, advancing through the universal initiations common to mystics of both East and West. She taught about this path and described her own experiences for the benefit of all who desire to make spiritual progress. Mrs. Prophet has left an extensive library of spiritual teachings from the ascended masters and a thriving, worldwide community of people who study and practice these teachings.

There is a lot of daily practical information and guidance for the person wanting to pursue a deeper relationship with God and his emissaries. I love this book.

This is a very deep book. It's a book that needs reading a few times to get the most out of it. It's deceptively simple and yet so profound if you expect it to be. It's almost like the book responds to you - as you think the book is, so it is. It's the definitive book for someone who wants a master and is searching for a path which they know is there somewhere but aren't sure where.

This is a pretty good book. Some parts I had to skim over but that was just due to me looking for things that I was needing answers for. If your looking for hardcore prove it to me facts you will not find it in this book. I think this book is for ppl who have asked questions within and have been lead to this book. You definitely dont find this book on accident. Alot of the decrees, invocations, and affirmations Ive been using with great success. This book does not have all the answers, ofcourse no one book does. But it does help alot.

Very informative! Chela and the Path is helping me move forward to the next step of joining with others on the path!

Great book for true seekers

A must-read for any student new to the spiritual path. It outlines many important spiritual topics and principles, and gives guidance for how to work with spiritual hierarchy to expand and progress on one's own pursuit with God. El Morya is a stern and demanding master, but at the same time very loving... in fact, he is the closest Ascended Master to my heart... and I hope that more willing students enter under his tutelage to seek their own ascensions in the Light.

The purpose of life, self transcendance, is explained; plus karma, freedom by self-mastery of thought and feeling, and the need for a teacher to show the student (chela) the path. Edit: Nov 1, 2013 I overcame much fear and sin by this teaching and then suddenly yesterday, I came to the realization it gave Jesus Christ too low a standing although He is in the I AM Presence chart. I am about to burn all these books. Your sin is forgiven by grace, not just by self-mastery. I reject a blend of Christianity and Hinduism and Budhism. I have a the sudden revelation there is an imitation or counterfeit Holy Spirit. I never practiced occult activities! However Matthew 6:7 cautions you to not reeat prayers like pagans and Chapter 10 and 11 Jesus says do not take heaven by storm. That teaching tries to take heaven by storm. I left that church in 1988, but I never completely rejected that lesser path until today. I knew my church did not love me and I knew my wife did love me. At least I

understood that difference. Now I step up higher and I surrender to Jesus Christ as my only connection. I cannot go wrong on that path. You can go wrong stuck in a false Holy Spirit.
