Customer Reviews

Quick overview and helpful insights about the city. I was looking for info for an up coming visit and this was helpful.

Terrible guide book, with no maps, whatsoever.

This is a typical tourist guide. It is well written and easy to understand. However, there aren't any particularly unique or insightful tips. It's a standard guide book.

This book fell very short in the helpful department. If anything, it makes me want to not visit Helsinki. Nothing sounds very interesting. There is no information on restaurants or hotels. Little about transportation in and out. I feel that this book was a waste of money.
