The authors are world-renowned authorities on all things Beanie. Their original book, *Beanie Mania*, was a highly acclaimed best seller. The Beckys are well known for their Price Guide which appears on the popular BeanieMom.com web site. Their Price Guide is considered to be the most authoritative secondary market price guide and is relied upon by Beanie Baby collectors all over the world. It was referred to as "the Wall Street Journal of the Beanie Baby Market" by the CNN/Fortune TV news show. In addition to writing the series of *Beanie Mania* books, Becky and Becky are also the editors of the bi-monthly *Beanie Mania* magazine and the semi-monthly *Beanie Mania Bulletin* newsletter. The Beckys have been guest speakers on many TV and radio talk and news shows across the country, including CNN/Fortune, Fox News, CBS News, Good Morning Texas, WGN, KHKS-Dallas, and the Ronn Owens show in Los Angeles. They have been featured in numerous publications, including Time Magazine, the Wall Street Journal, Kiplinger's Personal Finance

magazine, Collecting Figures magazine, the Chicago Tribune, the Los Angeles Times and the Dallas Morning News. They attend collector's trade shows across the United States and give seminars on Beanie Baby collecting.

This book looks excellent. It can show me lots of beanies, their price, date of birth and everything I need to know about beanies which will help me collect them. I have some beanies which are worth a lot of money for example "Patti The Fuchsia platypus born on 6/1/93. Yours faithfully Megan

As I am a huge fan of Ty Beanie Babies I would like to write a review on the Beanie Mania Handbook. This handbook is extremely useful. It shows a list of beanies available from a-z, their birthdays and other information about them and it is for sale at an excellent price Megan..

not much value

I love Ty Beanie Babies and I have a collection of 57. I would like to know as much as I can about beanies and collect as many as I can. Yours faithfully Megan
