# The Ultimate Eating Thai Food Guide (2017 Edition): Your Guide To Discovering, Ordering, And Eating Authentic Thai Food That You'll Never Forget!

## Synopsis

The Eating Thai Food Guide is your ultimate guide to discovering how and where to eat local Thai food. Unfortunately there are many people who visit Thailand and never experience authentic Thai food. Language barrier, lots of restaurants that serve watered down Thai food to cater to tourists, and even just not even knowing what Thai dishes are available to order and how to order them, are a few of the biggest challenges to eating Thai food in Thailand. The Ultimate Eating Thai Food Guide is a comprehensive picture food guide that will teach you exactly how to order and eat Thai food the Thai way. You will discover the major Thai cooking styles, local eating techniques (fork and spoon method), the regional variations of Thailand that define Thai cuisine, how to identify street food stalls and restaurants and know exactly what they serve, and how to order Thai meals (even if you don't speak Thai). If you love to eat, Thai food is going to be one of your best memories of Thailand, and with the help of the Eating Thai Food Guide you will have local Thai food experiences that you will never forget. Get ready to eat your way, like a local, through Thailand!
