Judy Jewell graduated from Reed College and worked at Portland's renowned Powell's Books. Judy worked there, as a book buyer and manager, for 14 years then decided to write travel books. Judy is the author of several guidebooks, including Moon Utah and Moon Montana (also with Bill McRae). When she is not writing about the outdoors and travel, she is the lead technical writer at Camp Dusty Technical Services. She lives with her husband and dog in Portland, OR. W. C. (Bill) McRae is the coauthor of several travel guides, including Moon Utah and Moon Montana (both with Judy Jewell). He has also edited books for National Geographic and Mobil Guides and has written for websites like GORP.com and Expedia.com. In his spare time he earns money by writing polemics for a high-tech PR company. He makes his home in Portland, OR.

Lots of good detail - I like the "Moon" series of books.

Very rudimentary guide. Didn't end up using on recent trip to Salt Lake City, as online resources were more than adequate.
