DEMONOLOGY THE DEVIL AND THE SPIRITS OF DARKNESS Evil Spirits: History Of Demons (Volume 1) (The Demonology Series)

Synopsis

FROM A NATIONALLY-PUBLISHED BESTSELLING AUTHOR! One of the largest scholarly works on the history of demons and demonology in decades...The author has appeared on numerous national television shows for his works: "The History Channel," "The Phil Donahue Show," "The Leeza Show," and the EWTN Network ("Mother Angelica Live!"). Best-selling author of "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata," "Our Sunday Visitor," which received top-notch reviews. Michael Freze, S.F.O., has previously written 7 nationally-published traditional print books on Bible topics and supernatural phenomena..This work on the history of demons includes an historical background, Biblical references, the teachings of the Magisterium, the teachings of the Church Fathers, comments from the lives of the saints, recent views of demonology, much more!Reviewed and given the Imprimatur by former Bishop Elden F. Curtiss of the Diocese of Helena, Montana.A must read and reference guide for those interested in supernatural and preternatural phenomena! One of numerous books in a series on demonology.A recent endorsement: "I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata..." is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza" (April 17, 2016).

Customer Reviews

This Volume is more or less an introduction to the books that follow it. Here you will find a very general history of the belief in demons (or their like) from many different cultures and religions through the ages. It gives a strong foundation for the belief in such entities from a Biblical prospective. For those reasons it is worth the read if such things interest you. The information is told from a Roman Catholic point of view. Those interested in the occult or witchcraft etc. might find the information more tame than what they are used to but that should be expected when dealing with true investigation rather than modern day fantasy. The true story of the incident that inspired "The Exorcist" is told and is quite interesting, although it did not inspire any Pea-Soup vomiting from this reader. The Editing is poor. Two times there are chapters that read exactly the same but with different titles. Typical spell-check errors also appear as well as many instances where the words advance to the next line without filling the line they are already on. Plenty of food for thought is served to contemplate before reading the next installment. The author achieves his goals in this book and it is, as I said before, good foundational work. Remember your Latin while reading "Vade Retro Satana!"

One of many in a series.
