Wedding Decorations On A Budget

Synopsis

For a dream wedding that doesn't create a nightmare budget, simply gather up things from your home, your garden, and nature...then work a little magic transformation! An acclaimed author and designer--who has written for such magazines as Good Housekeeping, Women's Day, and more--presents a host of elegant ideas for celebrating your special day in an inexpensive yet rich manner. You won't believe how easily ordinary plastic dishes and stemware can become part of a sophisticated and stylishly original arrangement for serving food to your guests. Or how simple it is to fashion memorable decorations that also become much appreciated thank-yous or home decorations after the festivities. And, with a touch of creativity, fabrics from the bargain store make bright backgrounds for the reception tables and establish a color scheme for the entire reception. You'll feel like a wonderful wizard, turning what was simple into beautiful...and within your budget!

Customer Reviews

"...dozens of romantic ideas..."--Crafts --This text refers to an out of print or unavailable edition of this title.

Sandy, UT

This book didn't quite meet my expectations, but it still had some good ideas in it. The designs seem kind of outdated, but considering I bought the book used I'm not at a complete loss.

Received book in a very timely manner. Was what the information said it would be. Good doing business with you.

This book has lots of ideas for decorating on a budget, unfortunately most of them were not quite my daughter's taste. It did however get us thinking about what we could use that is her taste and go from there, so still a good purchase.

I will start off by saying that this book wasn't spectacular but wasn't completely crap either. The decor is somewhat outdated but this can be used for reference and stemming off of ideas, so overall, not a complete loss. Although the seller was quick and packaged well to prevent damage, I would recommend a different idea book like Martha Stewart or save your money and just look on Pinterest!
