Oahu Hawaii Adventure Guide Franko Maps Waterproof Map

Synopsis

Guide map of Waikiki and Oahu, with things to see and do, including information for scuba divers, snorkelers, kayakers, hikers, bicyclists, boaters, surfers, tourists, and others who love Waikiki. Side 1 is a beautiful shaded relief map of Oahu, designed to show just what Oahu has to offer to the explorer. Dozens of Oahu's most wonderful things to do are described and located. It is, in effect, a big checklist. Notable sites include the Arizona Memorial, the Polynesian Cultural Center, and Bishop Museum. Activities such as camping, bicycling, touring, surfing, and even hang gliding are explained. Oahu is fascinating and there is much to do, and this map is a perfect guide to get you going. Side 2 shows Waikiki with all of its intricate streets, sites, beaches, hotels, and shopping. Because getting in and out of Waikiki can be convoluted, a detail of the Oahu South shore is added, which will get you from Waikiki to Diamond Head, Hanauma Bay, and on around to the windward side of the island, as well as over to the Aloha Tower, Iolani Palace, Ala Moana Shopping Center, and other places that you'll want to go. The map locates 90 hotels, and serves as a perfect walking guide in and around the heart of Waikiki. Popular shopping areas include the International Market Place, Royal Hawaiian Shopping Center, DFS Galleria, Kings Village, Waikiki Bazaar, Eaton Square, Rainbow Bazaar, and the Ward Village shops. The map, with its beautiful colors is not just a useful tool, but makes a great and lasting souvenir. Printed on durable waterproof, synthetic material. 14" x 21", folded to 4" x 7".

Franko Maps Ltd. is known for producing the best travel, dive and snorkel maps, guides and fish cards for Hawaii and other locations worldwide.

This map was SO helpful! From a person who hadn't been to Hawaii before, I relied on this map -- a LOT! It was easy to reference, easy to fold back up, and very portable. After so much use, it didn't tear either. I found it very useful!

The Franko's maps of the Hawaiian Islands take up little space, are made of waterproof material, and provide not only a good map of the area, but also highlights some of the favorite things to see or do on the islands. I have most of the maps that include: The Hawaiian Islands, Oahu Guide Map, Oahu Dive Map, Maui Guide Map, Maui Dive Map, Hawaii Guide Map, Kauai Guide Map and Kauai Dive Map. Six of the maps were available from .com with free shipping, but two had to be purchased from independent vendors on and charged a small shipping fee. For the few dollars I paid, it was well worth it to have a great map that folds up and takes little space in my suitcase. Once I get to a particular island, I take it with me to know where I'm going and where I've been. Bring along a Sharpie pen to mark the places you've been or want to return. The back side of the map has a blown up area of popular places, for example, Oahu has Waikiki Beach and the placement of hotels and landmarks. I highly recommend these maps for getting around the islands.

Nice sized map with enough detail on it so that I don't feel the need to carry a guide book. The plastic paper (waterproof) has a nice feel.

Don't travel Oahu without one of these maps! The visual is outstanding.

the maps are dated

I used it for my planning for Oahu and it was very helpful. I took it with me but didn't use it.

The Oahu map/adventure guide was a great help! It's full of advice that really helped us make the most of our time in Oahu!

Great map for seeing attractions around the island. We used my phone for navigation, but this was great for figuring out what was around us as we traversed the island.
