Customer Reviews

This is a great cookbook on Vegan. All of the things and recipes that I need to know about Vegan are already included and well-illustrated inside. Dexter Jackson has done an incredible awesome job in compiling and creating this book of Vegan. Also the unique part of this book is the compilations

of the 31 Vegan Recipes. Very healthy, delicious and easy to prepare. This book is really a great resource for those who want to know more about vegan. The book is worthy of attention! I highly recommend this book to all. With that, I'd like to give this book a Very High and Amazing 5-Star.

A very interesting recipe book...most people think you have to eat meat to be healthy...but this book shows that is false. There are plenty of good recipes in this book that I will try out. Dexter Jackson does a great job going step by step in the process to make sure you come out with a delicious meal.

Perfect delicious recipes for vegans for every day of 1 month. I just start cook it at home and like it very much. Squash-Peanut Stew was amazing for yesterday's dinner.
