The Red Stuff: Exploring The Words Of Jesus Ten Minutes At A Time (10-Minute Moments)

Synopsis

Here's an incredible resource you can use to make an incredible challenge to your students. Give them a copy of 10-Minute Moments: The Red Stuff and ask them to give God 10 minutes a day for one month to see if the words of Jesus can make a difference in their lives. In this installment of the 10-Minute Moments series, students will get short but focused daily devotions that look at things Jesus said, aka "The Red Stuff." Part devotional and part journal, it's a non-threatening way for them to crack open their Bibles and start to see how God's love letter applies to their lives today. Get them a copy and let God do the rest.

I purchased these for my 7/8 th grade class to start the school day with. The format is perfect for beginning the day with the word. The students are able to go through it independently and hopefully they will learn habits that they will take with them in life.

This is written for teens. I was looking for a compilation of just the recorded words that Jesus spoke during His brief time on earth.
