# Treasury Of Greek Mythology: Classic Stories Of Gods, Goddesses, Heroes & Monsters

## Synopsis

School Library Journal Best Books of 2011 Eureka! Silver Honor Books • California Reading Association Capitol Choices 2012 list of • Noteworthy Titles for Children and Teens 2012 Notable Children's Books • ALSC The new National Geographic Treasury of Greek Mythology offers timeless stories of Greek myths in a beautiful new volume. Brought to life with lyrical text by award-winning author Donna Jo Napoli and stunning artwork by award-winning illustrator Christina Balit, the tales of gods and goddesses such as Zeus, Aphrodite, Apollo, and Athena and heroes and monsters such as Helen of Troy, Perseus, and Medusa will fascinate and engage children's imaginations. National Geographic completes the book with embellishments of each story: sidebars for each god, goddess, hero, and monster link the myths to constellations, geography, history, and culture to help young readers connect the stories to real life events, people, and places. A family tree and a "cast of characters" profile page help make relationships between the characters clear, and a mapping feature adds to the fun and fascination. Resource notes and ample back matter directing readers to more information round out this luminous book. Sure to dazzle all those intrigued with the fantastic tales of Greek mythology and enchant new readers, this vibrant book will soon become a family keepsake. National Geographic supports K-12 educators with ELA Common Core Resources. Visit [www.natgeoed.org/commoncore](http://www.natgeoed.org/commoncore) for more information.

## Customer Reviews

"This is the kind of rich but accessible reference work school librarians love. It's also likely to stimulate fact-obsessed Percy Jackson fans as well as children who have been ordered to research their school papers offline....This is a book meant to dazzle its readers and it does." *New York Times* onlineKirkus Starred ReviewSchool Library Journal Starred Review

DONNA JO NAPOLI is professor of linguistics at Swarthmore College, mother of five, grandmother of five, and the author of more than 80 books for children and young adults. While her undergraduate major was mathematics and her graduate work was in linguistics, she has a profound love of mythology, folklore, and fairy tales. CHRISTINA BALIT is a graduate of the Chelsea School of Art and the Royal College of Art, London. An award-winning dramatist and illustrator, Christina has painted more than 20 children's books, including *Blodin and the Beast* by Michael Morpurgo, *Zoo in the Sky*, *The Planet Gods*, *The Lion Bible*, National Geographic's *Treasury of Greek Mythology*, and National Geographic's *Treasury Egyptian Mythology*. Her author titles include *Escape From Pompeii*, *Atlantis*, *The Legend of the Lost City*, and *An Arabian Home*. Her plays include *Woman With Upturned Skirt*, *The Sentence*, and *Needle* (winner of the Brave New Role award).

Simply LOVE IT! The binding, the artwork, the tales, the quality of the paper.. every detail of this book makes it wonderful! I was looking for a book like this since it's perfect for children. It makes it fun for them to read. The only thing is that some of the vocabulary is a bit advance so you will definitely need to read it to them. I bought also the Egyptian and Norse mythology and will definitely buy the Tales from the Arabian Night too. Click the button if this review helped you at all. :)

Great book for people just starting their interest in mythology. My daughter (11yr.) loves it! She has a fondness for mythology and is always looking up information online and in books and now she has a book she says is better than what she can find in her library at school.

Such a lovely book. Beautiful page-sized illustrations. Brief (a page or so) of print telling about the god/ goddess and their tale.... Not the book's fault but my son's CLASS liked the book better than

my son did.... Ugh. I myself, highly recommend this book. It will instill in (most) kids an interest in Mythology.

My daughter is obsessed with Greek Mythology and mythology in general. This book was purchased after we got her the Egyptian Mythology book by the same company (National Geographic). She spends hours reading this book. She knows more about Greek Mythology than any other 7 year old I know. She has even drawn comparisons between the Greek, Roman and Egyptian gods. This book is gorgeous and thorough. It is interesting and informational. I highly recommend it!

This was a gift for my 12 yr old grandson and he loves it

Compliments any teen who likes or liked the Percy/Olympian books.

Our nine-year-old daughter is really into mythology and loves this book. The artwork is beautiful!

Short read about God's and mainly who they married. I would've rather read more in depth tales about the gods
