Brussels Baby Book: A Practical Guide To Pregnancy, Childbirth And Beyond In Brussels

Synopsis

This is a practical guidebook for expats having a baby in Brussels, Belgium. It gives a concise and detailed overview of what you can expect medically and financially, as well as tips for activities you can enjoy while pregnant and with your baby. It contains a useful list of baby-friendly hang-outs in Brussels and a birth plan check-list in English and French. This is the first edition version. The second edition is available in print only because the images and graphs do not function well as an e-book. The second edition contains double the information and interviews with experts (a midwife, pediatrician, Brussels Europe Liaison Office and financial adviser) and is available at Waterstones, Cook n' Book, Sterling Books, Filigranes and Boobs n' Burps. Readers may also be interested in the 'Planning and Pregnancy Info Session' offered by Antenatal & Baby and this author.
