An Index To Periodical Literature On The Apostle Paul (New Testament Tools And Studies)

Synopsis

The volume updates an important earlier work by Bruce M. Metzger, *Index to Periodical Literature on the Apostle Paul* first published in 1960, which undertook to list periodical materials available before 1960. This volume was the first book in the *New Testament Tools and Studies* series published by Brill. As with Metzger's volume, this new work lists periodicals in a wide spectrum of languages, including English and Russian. This volume adds considerably to the 3,013 entries of Metzger's original work. To facilitate use, the original classification and numbering scheme developed by Metzger is retained in the new references (as well as in a few from a second edition by Metzger, 1970). They are inserted in their proper classification (by subject and date) and are indicated by the original number with an alpha extension. In a few instances, new classifications are offered, e.g. 'structuralism'.
