Death Note Black Edition, Vol. 5

Synopsis

Killer 2-for-1 value on hit thriller Death Note! Reads R to L (Japanese Style), for audiences T+
Contains Volumes 9 and 10 of Death Note! Light Yagami is an ace student with great prospects--and he's bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. Will Light's noble goal succeed, or will the Death Note turn him into the very thing he fights against?

Customer Reviews

Born in Tokyo, Tsugumi Ohba is the author of the hit series Death Note. His current series Bakuman is serialized in Weekly Shonen Jump. Takeshi Obata was born in 1969 in Niigata, Japan, and is the artist of the wildly popular SHONEN JUMP title Hikaru no Go, which won the 2003 Tezuka Shinsei "New Hope" award and the Shogakukan Manga award. Obata is also the artist of Arabian Majin Bokentan, Lamp Lamp, Ayatsuri Sakon, and Cyborg Jichan G, and the smash hit manga Death Note. His current series Bakuman is serialized in Weekly Shonen Jump.

this is the only series that i wanted to read before watching the anime, at this point in the book its getting interesting, love the black row on my book shelf of just these :)

Love it, but have to be very careful since the front and back cover seem to have some velvety

texture; I wonder if it was painted on because it start chipping in a few small places but not noticeable enough to make a big deal about it.

This is to add to the completion of a series for this manga. This contains volumes 9 & 10 of Death Note.

Daughter received as Christmas Gift.. she has the entire collection and V was on her list. She loves the collection and will order the next.

Amazing Price for an amazing manga

It's a great book. The re-read value is high if your into this kind of writing.

Good story not quite as engaging as the start of the series but still a great manga

This manga is one of the best I've ever read, and having the black edition makes it even better than before
