Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I am a choral director and was in desperate need of a repertoire for St. Patrick's Day. This book filled the bill. It had traditional Irish songs as well as lesser known ballads -- a good mix.

This book contains most of the Irish songs I need to accompany a 100 year old lady who will be

playing her violin on St. Patrick's Day. The music is written similar to all of the Hal Leonard decade series books I have ordered in the past that I consider intermediate level piano music. The only negative is the binding that requires a clip to hold the pages open. I remove the pages and put them into three ringed binders as I do with all of the Hal Leonard songbooks which solves that problem nicely.

Would have given this five stars if the keys in which the songs were written were more compatible with guitar chords.

The book, which was used, arrived earlier than expected in perfect condition. I am enjoying playing the songs very much. Reminds me of my childhood, when my mother sang them to me.

Great Irish music - moderately difficult.

Was used for a sing-a-long for St. Patrick's Day, provided great fun for all there. The book contained a number of well-known Irish bar songs, as well as a few I did not know...very good compilation.

Most of the basics are here with a lot of traditional Irish tunes. Not as much tin pan alley American Irish tunes. Good piano introductions and good vocal notation. Should satisfy.

This book has all the songs that most people ask for. I am very pleased.
