Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nation's top publishers of calendars and dated stationery products. I bought this as a gift but looked thru it prior to giving the gift. The quotes are varied from many sources and all walks of life. The art is beautiful in its simplicity. I think many "inspirational" calendars can be hoaky, but this one was very poignant.

Great sayings every day. I look forward to them. And I love the lines on the back for notes. I wish there were maybe other sayings or little puzzles on the back. I've had daily calendars like that and really enjoyed them. The little extras don't need to take up the entire back, so there is room for notes. Maybe I will get used to it as the year goes on. It's early yet.

I love the sayings everyday!

Gorgeous pages, but came out of the box with half the pages already separated from the base. I will have to wait until September before I can stand the calendar upright...

Purchased this for my office and everyone that sees it loves it. Nothing better than reading a quote before starting your work day!

Love this the quotes are amazing!!

Love page a day calendars and this one has to be my all time favorite!

A positive thought daily on my desk
