2012 International Fuel Gas Code (International Code Council Series)

Synopsis

The 2012 INTERNATIONAL FUEL GAS CODE SOFTBOUND VERSION sets forth requirements that address the design and installation of fuel gas systems and gas-fired appliances, based on the most current information and technology available. The requirements are performance-driven, making this an effective tool and valuable addition to a user's code products. Check out our app, DEWALT Mobile Pro. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. To learn more, visit dewalt.com/mobilepro.

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 32 customer reviews

Best Sellers Rank: #44,751 in Books (See Top 100 in Books) #18 in Books > Engineering & Transportation > Engineering > Reference > Architecture > Codes & Standards #22 in Books > Textbooks > Law > Tax Law #40 in Books > Law > Tax Law

Customer Reviews

New in the 2012 IFGC® Key changes include: All piping, tubing, and fittings in a fuel gas system must bear the manufacturer's identification. Clarification that gypsum board requires reduced clearances to combustibles the same as any other combustible material. Requirement of flashback arrestors and check valves in fuel gas systems used with oxygen.

ICC is a leading organization dedicated to developing a single set of comprehensive, coordinated national model construction codes. To date, 48 U.S. states have adopted various international codes from ICC.

I ordered these for a test someone in my family will be taking and they have all the materials he

needs to study to take the test!

As an Oklahoma plumbing contractor, I use this code book to reference guidelines and standards to meet the needs of our clients scope of work. It allows us minimum standards to provide competitive pricing without compromising performance, safety, and health in our communities. I have a copy of it at the shop and have the Kindle Edition on all my mobile devices.

now i need the 2015

Great resource that is helpful for Gas Code information

This product was absolutely amazing. The description posted was very accurate. The price for the quality was amazing. An added bonus, it was here before I expected! A very happy buying experience.

As described

How do you rate a law book? It is what it is, nothing more than a legal code. If you are looking for design standards or examples, then look elsewhere, otherwise it is an easy to follow legal code.

as described, shipped fast!
