Thus Spoke Zarathustra

Synopsis

When Zarathustra was 30 years old, he left his home and the lake of his home, and went into the mountains. There he enjoyed his spirit and solitude, and for 10 years did not weary of it. But at last his heart changed - and rising one morning with the rosy dawn, he went before the sun, and spake thus unto it: Thou great star! What would be thy happiness if thou hadst not those for whom thou shinest! For 10 years hast thou climbed hither unto my cave: thou wouldst have wearied of thy light and of the journey, had it not been for me, mine eagle, and my serpent. But we awaited thee every morning, took from thee thine overflow and blessed thee for it. Lo! I am weary of my wisdom, like the bee that hath gathered too much honey; I need hands outstretched to take it. I would fain bestow and distribute, until the wise have once more become joyous in their folly, and the poor happy in their riches. Therefore must I descend into the deep: as thou doest in the evening, when thou goest behind the sea, and givest light also to the nether-world, thou exuberant star!

Customer Reviews

"Zarathustra the godless!" Written in a unique literary style with a unique philosophical perspective. You experience this book more than you read it. You read a magazine, right? This book is deep and heavy and all us mortals can do is try to wrap our heads around the genius of Nietzsche. Masterpiece!

Ah not for everyone. Not to sound snobbish but don't attempt to read if your level of reading and understanding isn't in top form . If philosophy is important to you then read i

Nietzsche transfigures himself as a melancholic and incredulous figure. This piece shows his disappointment and sadness regarding the institutions of modern times. The style is a quasi-satire of how religions deliver their messages and it reaches genius proportions in this book. I can see how revolutionary it was more than 100 years ago. It may still cause discomfort to readers nowadays. A must.

Mirrored with the Jungian individuation process, I found the book to be most fruitful. I loved it! I recommend for a fairly experienced reader, both subjectively and objectively.

Dated but an interesting read nonetheless

WOW! I believe I'm a Zoroastrian!! His anger at false teachings match mine

exactly as described

Don't have anything against it, just very hard read for a person who's English is a second language
