Crossword Dictionary

My father was expecting this exact same replica but, was disappointed to get the smaller version of a blue book. He still likes it. He has this original red Dell crossword dictionary. Very old and falling apart. It shows a lot of things you would never have thought it to show. Very old actors, actresses, wars, you name it.

No, it was not the book I expected. I thought I was getting The Dell Crossword Dictionary originally compiled by Kathleen Rafferty in a red cover but received one in a blue cover edited by Kathleen Rafferty. I knew it was used which was fine. Just disappointed, I like the famous names section of the red covered book.

Book is in very good condition considering how old it is. Mary Benjamin did an excellent job of getting me the right one. I don't suppose there is an updated one ?

The book was in good conditionBut I wasn't aware of the edition , I would have liked a later edition

nice

It wasn't what my wife expected it was a different addition then she was trying to replace

My 95 year old Mother has used this dictionary each day for years and uses each one until it falls apart and must be replaced.

Was looking for a specific book. It wasn't quite the right one. There were several significant differences.
