Dark Secrets And Dead Reckoning, A Red Pine Falls Cozy Mystery (Red Pine Falls Cozy Mysteries Book 3)

Synopsis

Abby is thankful that things have gone back to normal for Red Pine Falls. Her Grandmother is getting married, Becky is remodeling her café, and Gabe has gone from good friend to something much more interesting. What could go wrong? Just because Frank Millerson left town like a bat out of hell probably doesn't mean anything. Or does it? When dangerous men come to town asking questions about Frank and where they can find him, Abby begins to get an inkling that normal for Red Pine Falls is anything but quiet. It just gets worse when bodies start appearing. Can Abby lead her friends through these dark times or will it all end in violence? And what does Senator Clark have to do with it all? Find out by reading *Dark Secrets* and *Dead Reckoning*. Book Three in the Red Pine Falls Cozy Mystery series.

Customer Reviews

These stories are exactly what I look for in a cozy mystery. The people become so real you empathize with them - cheering for them & hurting with them as the adventures unfold. Ms. Blackmoore can write a story that keeps you in a small town in Oregon enjoying life's good & bad

times with friends...at least for a few hours!

I'm not sure how I found this series (may have shown up in also-boughts) but I'm delighted I did. The characters are nice and interesting, the plots are just complex enough, and the sense of place is lovely. You can almost smell the pines. I've read the first three books and preordered the fourth.

I really enjoyed reading this book. Is this the second one, because I am sure I read a book before with the same people in it. You are a good story teller and writer. I am looking forward to the next one. Please give notice when it becomes available.. Ramona.sexton 1943@gmail.com

I have enjoyed this new series taking place in a small town in Oregon. There is lots of action and a little romance. Looking forward to the next installment.

These are a light reading cozy series but good. The characters are likable, every one is not the main character finding a body. I have read all three and order #4.

This is a delightful cozy mystery series. I look forward to each new book. I highly recommend this series to anyone who enjoys cozies.

Enjoy the continuing story and characters. Already pre-ordered next book. Like your style and look forward to many more books. Q
