Customer Reviews

Mary A. De Vries has written more than 50 books on the business and professional realm, including The New Robertâ TMs Rules of Order, Business Thesaurus, and Complete Secretaryâ TMs Handbook. She owns and manages Editorial Services in Cottonwood, Arizona. --This text refers to an out of print or unavailable edition of this title.

:-)

This book is based on the 1893 edition of Robert's Rules of Order and NOT on the latest Robert's Rules of Order Newly Revised (9th Edition, 1990). Since the 1893 edition is no longer controlled by copyright, the author is therefore free to make use of that material. It is not the latest edition of Robert's Rules of Order, but takes a old work and newly re-written. It still has it value. But reader should be pointed out of this fact and not be mis-leaded. The 1st part of this book (p. 1-96) teaches the reader how to arrange for a meeting and contains some infomation about using IRC and using computer to help prepare for meeting. The 2nd part (p. 99-252) contained the 1893 version of Robert's Rules of Order (simplified and updated to today language). I was surprised to find the following inconsistency: P. 140 Section 23 TO AMEND "The motion to amend yields to any other subsidiary motion except one to Postpone [a matter] Indefinitely (s. 24). P. 144 Section 24 TO

POSTPONE INDEFINITELY "The motion to Postpone [a subject] Indefinitely yields to any other subsidiary motion except one to Amend (s. 23)"Such inconsistency should not have happen to a reference work/manual and also to a very important motion a parliamentarian uses. I have yet to read the whole book but hopefully there is none other mistake or inconsitent statement.

Mary Devries is the best technical writer of our time! It's amazing to find an author who knows what she is talking about...and be up to date! This book is an asset for anyone's collection!

This is a great book. I need to know how to use parliamentary procedure and this is a real lifesaver. Thanks again.
