# A Taste Of Sydney, Melbourne And Perth: Your Australian Travel Guide To Australia's 3 Most Popular Cities For Visitors – Plus Much, Much More.

## Synopsis

Australian cities are exciting places to visit and Sydney, Melbourne and Perth rank highly with travellers worldwide. SYDNEY is Australia's largest city and the major first place to visit for travellers. The harbour is spectacular and the Opera House, Bridge and beaches are highlights. MELBOURNE is ranked as the 7th most liveable city in the world. It is full of excitement, places to go and things to do and being the most multicultural city in Australia, you will never run out of cuisines to indulge in. PERTH, on the Indian Ocean west coast is noted for its sunshine, beaches and laid back lifestyle. Visitors rank it as a great place to relax and enjoy the scenery, wineries and great places to visit. You can now discover the best of these 3 cities in one special online guide highlighting the places visitors want to see, enjoy and experience. Written by an Australian travel expert, it is based on feedback from many travellers and is ranked as "One of the best guides available." Picture yourself enjoying the beauty of these 3 cities now. How can you discover the benefits of this guide now? Here's all you have to do. If you own a Kindle, simply go to top right: "Buy now with 1-click." ## Customer Reviews

Very limited deal; of no use for planning. I'm in Melbourne as I write this. The two museums mentioned in the book are in fact excellent as it suggests. And that is ALL that it suggests. There is a very solid week's worth of activities here and the book covers none of them. Useless. I hope I can get a refund.

Really informative , learned a lot and would recommend to anyone before going to Australia . Good luck to you.

I bought it for my kindle and took it on the cruise. It was invaluable. As Aussies suggested things we must see in port I could look them up in the guide and mark them. Maps would have been helpful. But the info was current and useful.

Any author who claims to be Australian and then not once but three times calls koalas "bears" is not to be trusted with giving advice. More seriously, no author who glaringly passes on ridiculous prejudices as fact deserves to be trusted -- period. He tells us he met "2 girls from Austria" who stopped to pick up a hitchhiker. Not just any hitchhiker but a "dark skinned" one. Female. And three dark skinned men tried to get in the car too!!!! Oh no. What I want to know is the skin pigmentation of the "2 girls" from Austria and why it was omitted. And then what the heck are female children doing driving anyway? Whatever was the outcome of this horrible non-event? Well, the author speculates on kidnapping, death, car-jacking -- all sorts of mayhem. Because that is what he thinks dark skinned people do. No evidence -- just skin color. Get a real guide. Get a real guide.

There's a lot to see in Australia. If you have plans to visit this wonderful place, be sure to get this great book. You'll find all the best places to visit, including some smart tips for travelers. Highly recommended reading! Thank you for making this amazing travel guide available for us!
