Righting Canada's Wrongs: Japanese Canadian Internment In The Second World War

Synopsis

This book is an illustrated history of the wartime internment of Japanese Canadian residents of British Columbia. At the time when Japan attacked Pearl Harbor, Japanese Canadians numbered well over 20,000. From the first arrivals in the late nineteenth century, they had taken up work in many parts of BC, established communities, and become part of the Canadian society even though they faced racism and prejudice in many forms. With war came wartime hysteria. Japanese Canadian residents of BC were rounded up, their homes and property seized, and forced to move to internment camps with inadequate housing, water, and food. Men and older boys went to road camps while some families ended up on farms where they were essentially slave labour. Eventually, after years of pressure, the Canadian government admitted that the internment was wrong and apologized for it. This book uses a wide range of historical photographs, documents, and images of museum artefacts to tell the story of the internment. The impact of these events is underscored by first-person narrative from five Japanese Canadians who were themselves youths at the time their families were forced to move to the camps.

Customer Reviews

"For high school instructors--especially those seeking primary source documents to have students analyze--this is a treasure-trove." (George Sheppard, Canadian Teacher 2015-01-30) Authors Pamela Hickman and Masako Fukawa skilfully follow the story of the Japanese in Canada, from the first wave of immigrants in 1877 through the internment years and the fight for redress. Arresting

images dominate the pages, mixing family photographs, posters, museum artifacts, and news archives to create a vivid scrapbook, which also contains the recollections of five internment survivors. Their accounts, peppered generously throughout the book, bring to life the imagery and facts that might otherwise seem impersonal....The book proves an essential history lesson for a generation that may be unaware of this deplorable part of our nation's past. (Cynthia O'Brien Quill & Quire 2012-04-01)"an effective educational volume" (BC Bookworld 2012-10-01)"This book is very well-done... The visuals are spectacular and will surely be a drawing card for students... These are topics our students need to be informed about in order to understand and appreciate our history." Rated E - Excellent, enduring, everyone should see it! (Victoria Pennell Resource Links)"...inviting like a yearbook or a highly polished scrapbook, bursting with photos as well as historic political cartoons and posters...The inclusion of simple maps, a detailed timeline and a glossary also contribute to the readability of this large-format volume...This book holds appeal for any young adult with an interest in the history of Canada." (Evan A. Mackay Nikkei Voice 2012-05-15)About the Righting Canada's Wrongs series: "As indicated by its name, this series is hopeful. It is not about opening old wounds; it's about remembering the past, understanding it and moving forward." (Evan A. MacKay Nikkei Voice 2012-05-15)Japanese Canadian Internment in the Second World War is a phenomenal achievement. More than 300 full-colour and black and white visuals (maps, photos, document facsimiles) powerfully evoke the times they represent, the personal stories give a strong and poignant voice to those who lived the experience, and the combination of historical content and first-person accounts make this a hugely accessible work for high school students in Canadian history and human rights courses. This book has a place, both in high school libraries and as a supplementary text for social studies classrooms.Highly Recommended (Joanne Peters CM: Canadian Review of Materials 2012-05-11)"This is an impressive book filled with heart-wrenching stories of Japanese Canadians who endured this difficult period in their lives. It is a must have for all history teachers as it recognizes an event in Canadian history that should never be repeated." (Sandra O'Brien Canadian Children's Book News)
