## Synopsis

This book is one of the many Islamic publications distributed by Talee throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Talee ([www.talee.org](http://www.talee.org)) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, Talee aims at encouraging scholarship, research and enquiry through the use of technological facilities. For a complete list of our published books please refer to our website ([www.talee.org](http://www.talee.org)) or send us an email to [info@talee.org](mailto:info@talee.org)
