Package Dimensions: 11.2 x 8.6 x 0.5 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #7,392,872 in Books (See Top 100 in Books) #97 in Books > Medical Books > Veterinary Medicine > Radiology #14385 in Books > Textbooks > Medicine & Health Sciences > Medicine > General #47270 in Books > Science & Math > Technology

Customer Reviews

I used to have this book when I was an RVT years ago and I referred to it often for positioning. I let my license lapse and have to retake my test so bought this but also got it because it brings back fond memories of when vet medicine was practiced really professionally. I like the fact that it has photos rather than drawings.
